Montpellier, July 13, 2021

Dear Mr. Warade Shrinidhi Sanjay,

You have been admitted into the Master of Science in Business Excellence by the Admission Board in conformity with our internal rules.

You have sent the down payment of the tuition fees. I have the pleasure to confirm that you are now pre-registered for the academic year 2021-2022.

Please note that this deposit will not be reimbursed in case of withdrawal. It will only be reimbursed in case of visa refusal from the French Embassy and failure to obtain your diploma required for admission. The deposit will be refundable in the event that the health authorities of your country of origin/or France issue unfavorable recommendations to go to France for the 2021 intake.

The program will start on September 13, 2021 but our orientation program for new arriving international students will start on August 23, 2021, in order to help you to integrate to your new environment and settle in.

The academic courses will end in May 2022. Then you will have to write your master thesis and defend it between November 15th and December 15th, 2022.

The will of Montpellier Business School is to resume face to face classes, however, due to the current health context, this decision will depend on government directives.

You are now part of the students of Montpellier Business School, and in the following weeks and up to your arrival in Montpellier, our International Reception Center will send you all the necessary information for your arrival in France and your program at Montpellier Business School.

Congratulations and welcome to Montpellier Business School.

Dr. Moez BENNOURI
Directeur des Programmes MSc
