"I am writing to support Vaibhav Shinde in his future endeavors. It is a pleasure to recommend him because of his tenacity, business acumen, and leadership skill.

determination made him an exemplary supervisor and it was motivating to work for him. For example, when our team was working on the research and development of a new model of an XBIS machine, we knew we had to stay late to meet the deadline to finish the project in time. So, Vaibhav encouraged not only the junior staff but the whole team to stay and finish the work. For these reasons, I strongly recommend Vaibhav and I am confident that they will represent your organization well."
