**Preliminary<sup>1</sup> Admission Letter for Sustainability Management (M.B.A. and Eng.) for Winter Semester 2021/2022 at Hof University**

Dear Sriraj,

We are happy to welcome you in our cooperative Master's program Sustainability Management (Master of Business Administration and Engineering).

You will soon be starting your first semester at Vishwakarma University, Pune, on January 1, 2021. You will be a student of Hof University from your second to fourth semester, beginning on October 1, 2021. The second and third semesters are focused towards your course work while the fourth semester is dedicated to your internship and master's thesis.

To continue the second semester at Hof University of Applied Sciences, kindly apply on Primuss, Hof University's **online application portal between April 15 and May 31, 2021**. With your online application, you will receive all documents supporting your visa application process.

Please note that along with the documents listed in the attached application guide, you are required to submit the following missing documents:

German language skills with a minimum level A1 according to the CEFR (Common European Framework of Reference for Languages) by the time of arrival in Hof. German is a mandatory module passed at Vishwakarma University. At the time of application in Hof, please upload the mid-term certificate issued by VU.

Please use the following link for online application:
