Report on Street Play Dindi: Pune to Pandharpur

Date: 07 June 2018

Venue: Vishrantwadi, Pune

Time: 10 am to 4.00pm

Pandharpur Wari or Wari (Vari) is an annual pilgrimage (yatra) to Pandharpur - the seat of the Hindu god Vithoba in the Indian state of Maharashtra, in honour of the deity. Palakhis carrying the paduka (foot prints) of various saints - most notably Dnyaneshwar and Tukaram - from the Varkari (Warkari, "one who performs the Wari") sect (which venerates Vithoba), are taken from their respective shrines to Pandharpur. The tradition is more than 700 to 800 years old. Dnyaneshwar's palakhi leaves from Alandi, while Tukaram's begins at Dehu; both in Pune district of Maharashtra. This March on foot from various locations in Maharashtra to Vithoba temple, Pandharpur, attracts a total of over a million pilgrims. The journey takes 21 days. Numerous palakhis join the main Tukaram and Dnyaneshwar palakhis that starts from Dehu and Alandi respectively. The wari culminates at the Vithoba temple on Ashadhi Ekadashi. Devotees from Maharashtra and nearby areas set out for Pandharpur, wearing holy basil beads and singing the glories of Vithoba and songs like "Gyanba Tukaram", commemorating the saints. Upon reaching Pandharpur on Ashadi Ekadashi, these devotees take a holy dip in the sacred Chandrabhaga River/Bhima River before proceeding to visit the Vitthal temple.

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage.

In May 1969, a conference of student representatives (of universities and institutions of higher education) convened by the Ministry of Education and the University Grants Commission also unanimously agreed that a national-service scheme could be an instrument for national integration. The details were soon worked out and the Planning Commission sanctioned an outlay of ₹5 crores for the NSS during the Fourth Five-Year Plan, stipulating that the NSS be a pilot project in select institutions and universities. On 24 September 1969, the then Union Education Minister V.K.R.V. Rao launched the NSS at 37 universities in all states. The scheme has been extended to all states and universities in the country, and also +2 level institutes in many states.

The programme aims to inculcate social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims.
