Dear Mr Saji,

We are pleased to inform you that your offer is **unconditional** and that you have obtained a place at the University on the following course:

Course:	MSC Data Science
Start date:	7 October 2021
Campus:	Colchester Campus
Duration of course:	1 Academic Year - Full Time
Fee status:	Overseas
Tuition fees (for the first year of study):	£18800

### Tuition Fees

If your course is longer than one year, the tuition fee quoted is for the first year of study. Tuition fees normally increase each academic year. More information is available on our [website](#).

Your place at Essex has been finalised on the basis that you will be self-funding your tuition fees. If this changes at any point, and you expect any part of your fees to be paid from another source, please contact us at the email address at the top of this letter.

### Academic Excellence Scholarship

Congratulations, you are eligible for the award of a University of Essex Academic Excellence Scholarship. The Scholarship is worth £5000 and is awarded on academic merit to students who are fully self-funded. The amount awarded will be discounted from your tuition fee payment at Registration. More information about all funding opportunities, including award terms and conditions, can be seen here: [www.essex.ac.uk/fees-and-funding/](http://www.essex.ac.uk/fees-and-funding/).

### The Student Contract

You will have already received an email containing The University of Essex Student Terms and Conditions and the other documents which make up the Student Contract between you and the University of Essex. These documents are also available on your [myEssex applicant portal](#).

The Student Terms and Conditions document sets out your rights and obligations to Essex as well as Essex's rights and obligations to you. These terms, and the other documents which have been sent to you by email (and are available on your portal), are important in relation to entering into a contract with the University. It is important that you read them again before registering with the University of Essex.

### Information about starting your course

The Basics: Information for new Essex Students will soon be available on your [myEssex applicant portal](#). It is filled with helpful information about your Essex induction, Welcome week and term dates. More information about your arrival and induction is also available on our dedicated [webpage](#). We let you know by email when The Basics becomes available on your myEssex applicant portal.

### COVID-19

We have plans in place to ensure that we manage any impact that COVID-19 (Coronavirus) might have on students who will be joining us this year. We understand how concerned you may be, and we want you to be reassured that we will update you with important information as anything changes. [Our COVID-19 page for applicants](#) provides the latest updates and information, and if you have any concerns or queries please do not hesitate to get in touch.

### Information for students who require a Student visa to study in the UK?

If you need a Student visa to study in the UK, and we haven't yet been in contact with you, we will contact you within four months of the start of your course with a link to an online questionnaire. You will need to complete this before we can issue your Confirmation of Acceptance for Studies (CAS). A CAS is issued after:

- we have received and reviewed your CAS questionnaire responses

- any other information and documents requested have been received
- any necessary deposit has been paid

Once your CAS has been issued, you will be able to access your CAS statement on your [myEssex?applicant portal](#).

If we find that you are unable to meet all Student visa requirements (including when there have been changes to those requirements made by the Home Office), we may not be able to issue you a CAS.

### Fee Status

Your fee status has been determined from the information provided in your application. We may review your fee status during the admissions process and we reserve the right to amend your fee status in accordance with UK Fees and Awards legislation in force at the relevant time. If you think that we have assessed your fee status incorrectly, you should contact Admissions using the contact details at the top of this letter. Please be aware that we are unable to change your fee status after 31 October of the first year of study or 4 weeks after the start of your course if your course does not start in October. Further information about fee status assessment can be found on our [fee status web page](#).

If you have been classified by the University as Home fees, this does not guarantee Student Loans Company funding for fees or living costs. The Student Loans Company will conduct their own eligibility assessment. Once registered at Essex, all students, regardless of funding source and fee status, are liable for their fees.

### Accommodation

If you haven't already done so, you can apply for University accommodation on your [myEssex?applicant portal](#).

Further details can be found on [our accommodation web pages](#).
