

Undertaking of the trainee

I Snehal Saikar age 20 residing at Moshi, Pune

have accepted the terms and conditions of my training contract with T-Systems ICT India Pvt. Ltd. and out of my own volition declare that, I am aware of the specialized training being imparted to me by the Company in the first year commencing 2/12/19 (dd/mm/yyyy) and on-the-job exposure commencing 2nd year to enable me become a 'Professional consultant' in the area of specialization.

I am aware that, the training consists of soft skills, technical and on-the-job training and the Company would be incurring substantial expenditure including course fees, IT infrastructure and other associated expenditure besides my stipend and is legally bound to seek return on its investments made on my training by seeking continuance of my employment for a limited period of two years' post completion of 1st year training.

I solemnly declare that, I shall serve the Company for a minimum period of 2 years in order to help Company draw benefits out of the investments made on my training, failing which I shall refund the Company the entire training cost incurred on my training, training course fees and other operating costs of IT infrastructure provided to me.

I understand that my appointment letter is subject to my clearance of the last semester/final year examination with a minimum of 60% aggregate marks and in the event of not meeting the above conditions, my appointment letter shall stand null & void.
