## INSTRUCTIONS TO STUDENTS

---

**STUDENT ATTESTATION.** You should read everything on this page carefully. Be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before signing the student attestation on page 1 of the Form I-20 A-B. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**FORM I-20.** The Form I-20 (this form) is the primary document to show that you have been admitted to school in the United States and that you are authorized to apply for admission to the United States in F-1 class of admission. You must have your Form I-20 with you at all times. If you lose your Form I-20, you must request a new one from your designated school official (DSO) at the school named on your Form I-20.

**VISA APPLICATION.** You must give this Form I-20 to the U.S. consular officer at the time you apply for a visa (unless you are exempt from visa requirements). If you have a Form I-20 from more than one school, be sure to present the Form I-20 for the school you plan to attend. Your visa will include the name of that school, and you must attend that school upon entering the United States. You must also provide evidence of support for tuition and fees and living expenses while you are in the United States.

**ADMISSION.** When you enter the United States, you must present the following documents to the officer at the port of entry: 1) a Form I-20; 2) a valid F-1 visa (unless you are exempt from visa requirements); 3) a valid passport; and 4) evidence of support for tuition and fees and living expenses while you are in the United States. The agent should return all documents to you before you leave the inspection area.

**REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA.** Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

**EMPLOYMENT.** Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States

**PERIOD OF STAY.** You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

**EXTENSION OF PROGRAM.** If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

**SCHOOL TRANSFER.** To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

**NOTICE OF ADDRESS.** When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

**REENTRY.** F-1 students may leave the United States and return within a period of five months. To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

**AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL.** DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

**PENALTY.** To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

---

## INSTRUCTIONS TO SCHOOLS

---

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

**ISSUANCE OF FORM I-20.** DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

**ENDORSEMENT OF PAGE 2 FOR REENTRY.** If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

**RECORDKEEPING.** DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

**AUTHORITY FOR COLLECTING INFORMATION.** Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

**REPORTING BURDEN.** U.S. Immigration and Customs Enforcement collects this information as part of its agency mission under the Department of Homeland Security. The estimated average time to review the instructions, search existing data sources, gather and maintain the needed data, and complete and review the collection of information is 30 minutes (.50 hours) per response. An agency may not conduct or sponsor, and a person is not required to respond to an information collection unless a form displays a currently valid OMB Control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Office of the Chief Information Officer/Forms Management Branch, U.S. Immigration and Customs Enforcement, 801 I Street NW Stop 5800, Washington, DC 20536-5800. Do not send the form to this address.

**Department** : Computer Science

**Programme Description** : MSc Advanced Computer Science

**Decision** : (PG) Unconditional Offer

**Unconditional Notes** :

Passing Certificate showing Bachelor Degree from Savitribai Phule Pune University. HEI Assessed English Language India 12th Grade English 80%

[View and download key information about your programme.](#)

Choosing which University to attend can be a difficult decision, which is why we offer lots of opportunities for you to get a real feel for what it will be like to study here. You can attend virtual events, [chat to current students](#), and visit our [virtual tour](#) to explore the campus

**Accepting your offer**

You should accept or decline your offer via the Postgraduate Application Tracker link below.

Please include your student reference number and the programme you have applied to. If you have received an offer for more than one programme, you can only accept one of them.

[Accept or decline your offer with the Postgraduate Application Tracker](#)

**Important Dates**

Welcome Week starts on 18 September 2023 and you should plan to arrive in order to be on campus for the University's introductory events for new students. Tuition commences on 25 September 2023 and your full-time programme will end on 30 September 2024.

Graduation ceremony dates have not yet been finalised, but are usually in the December or January following completion of your programme.

**Fees**

The fees for this programme are currently set at £26350 for the academic year 2023-24.

[A full list of up-to-date fees](#)

This offer is made on the understanding that you qualify as an Overseas student for fees purposes. If you have any questions about your eligibility to pay international fees please contact our Fees Assessment Officers at [feestat@liverpool.ac.uk](mailto:feestat@liverpool.ac.uk).

**Living Costs**

We estimate that a single person will need a minimum of £9,207 per year to cover the cost of living on an annual basis. If you are planning to bring your family with you then your living costs will increase. This amount may change with new Government guidance - our website will be updated with the latest information.

[You can find out more about maintenance amounts on our website.](#)

## Fee deposits

As an overseas applicant for postgraduate taught study, you are required to pay a tuition fee deposit to confirm your intention to study at the University. A deposit is required before the University will issue your CAS, and after you have received an unconditional offer and accepted this. The deposit amount is £2,000 and it will be deducted from your tuition fee when you register in September.

If the deposit is not received, you will not receive a CAS and your offer may be withdrawn. Fee deposit deadlines can be found in the below link, which are dependent on the course you will be studying.

The University's approved payment provider is CIBC. You should make a payment at the payment portal <https://pay.cibc.com/liverpool>. You will need your University reference number, which can be found at the top of your offer email.

If your tuition fees are fully funded by a third-party sponsor (a government sponsor, charity, US Federal Loan, commercial organisation, international organisation) or you have been awarded a full scholarship, you must provide written evidence of this or a CAS will not be issued.

## Fee Deposit Deadlines

## Study costs

Liverpool is among the most cost-effective student cities in the UK. You may have some day-to-day costs of studying such as printing, buying books and specialist equipment, or going on field classes. These costs will differ depending on your programme of study and your preferences.

[Information about some of the additional costs associated with studying can be found here.](#)

## Scholarships

The University offers a range of scholarships and study awards to support postgraduate students. If awarded, scholarships are usually issued by way of a reduction to your tuition fees. Amounts and eligibility criteria for scholarships and awards vary.

[You can find information about the different scholarships available on our website.](#)

## CAS and Student Visas

You will receive further information about your CAS only when you have received and accepted an unconditional offer. The Admissions Team will issue a CAS statement no more than 6 months prior to the start date of your programme, as it has a limited validity period. Please note that you will need to meet the requirements set by UK Visas and Immigration.

You will be required to pay an Immigration Health Surcharge (IHS) in order to access the UK's National Health Services in the same way as a UK resident would. The IHS cost is £470 per year. The IHS is payable in full when you apply for your visa. If your visa application is unsuccessful the surcharge payment will be refunded in full.

[More information about visas, maintenance and the health surcharge](#)

## Discontinued or modified programmes

Whilst the University makes every effort to be able to provide the programmes that it has advertised, there are sometimes occasions when we are unable to offer a programme in an academic year. In some cases, the University may continue to offer a programme, but its content or title may be significantly different from the description of the programme in the University's materials. Where either of these eventualities occur, you or your nominated representative will be contacted straight away to explore the options that are available.

[Further details on this are available in the Admissions Policy.](#)

### **Appeals and complaints procedure**

Montpellier, July 13, 2021

Dear Mr. Warade Shrinidhi Sanjay,

You have been admitted into the Master of Science in Business Excellence by the Admission Board in conformity with our internal rules.

You have sent the down payment of the tuition fees. I have the pleasure to confirm that you are now pre-registered for the academic year 2021-2022.

Please note that this deposit will not be reimbursed in case of withdrawal. It will only be reimbursed in case of visa refusal from the French Embassy and failure to obtain your diploma required for admission. The deposit will be refundable in the event that the health authorities of your country of origin/or France issue unfavorable recommendations to go to France for the 2021 intake.

The program will start on September 13, 2021 but our orientation program for new arriving international students will start on August 23, 2021, in order to help you to integrate to your new environment and settle in.

The academic courses will end in May 2022. Then you will have to write your master thesis and defend it between November 15th and December 15th, 2022.

The will of Montpellier Business School is to resume face to face classes, however, due to the current health context, this decision will depend on government directives.

You are now part of the students of Montpellier Business School, and in the following weeks and up to your arrival in Montpellier, our International Reception Center will send you all the necessary information for your arrival in France and your program at Montpellier Business School.

Congratulations and welcome to Montpellier Business School.

UPGRAD

Jan 28, 2020

Dear Atul:

Congratulations! We are delighted to inform that you have been offered admission into the **Post Graduate Diploma in Data Science (PGDDS)** by IIIT-Bangalore and upGrad for the batch of March 2020. Your applicant ID is APFE20a00361.

The offer is contingent on your performance in the first 3 courses of the program and scoring at least 3.0 CGPA, else you can graduate after completing the first 3 courses and get awarded a **Post Graduate Certification in Data Science**. Our Admissions Committee reviews the work profile, prior educational qualifications and online selection test score to shortlist the best candidates for this program. In your case, the committee took the decision of enrollment based on your performance in the selection test.

The program begins on **31<sup>st</sup> March 2020**. However, we will be commencing with the preparatory sessions immediately as soon as you deposit the caution money.

To confirm your acceptance of the offer, please complete the admission formalities as per the following timelines:

- Caution Money of INR 25,000 to be paid within 3 days of receiving the offer letter.
- You will have 15 days to complete the balance payment from the time of your caution money payment. You can pay the balance payment using one of the following options:
  - You can use Netbanking, Credit card or Debit card to complete the balance payment within 15 days from the time of the caution money payment.
  - You can apply for an EMI loan. If you want to apply for an EMI loan, you will have 10 days from the date of the caution money payment to submit the complete application, post which this option will not be available. The processing time for the loan is 2-4 days.

To complete your payment formalities please visit  
<https://upgrad.com/programs/data-science/payment>.

## Student Information Validation

1. This provisional offer of admission to the program is subject to submission of self-attested documents[1] to validate the information given in the online application and webcam-proctored test. These are to be submitted before the commencement of classes.
2. In case of discrepancies between the application and self-attested documents, the admission offer stands cancelled.

## Refund Policy

1. You can claim a refund for the course at any time, before the cohort start date by visiting [www.upgrad.com](http://www.upgrad.com) and submitting your refund form via the "My Application" section under your profile. Processing fee of Rs. 10,000 will be levied. No refund is permitted once the cohort commences.
2. Student has to pay the full fee within 15 days of payment of caution amount or cohort start date, whichever is earlier, otherwise the admission letter will be rescinded.

Further, the fees is non-refundable once the classes commence. Request for refund must be sent via e-mail in the prescribed Refund Request Form. The refund will be processed within 30 working days of commencement of the program after being duly approved by the Academic Committee.

You can refer to our refund and deferral policy in detail [here](#).

Welcome to IIT-B and upGrad! We look forward to your enrollment into the program before the last date. In case of any further enquiry, write to us on [admissions-pgdds@iiitb.ac.in](mailto:admissions-pgdds@iiitb.ac.in) .

"We embark into new learning & milestones each day." This time it was Master's in Artificial Intelligence for me. I am delighted to share that I have successfully completed "Master's in Artificial" Program from INSIDEAIML.

It was a good learning experience for 8 months. The driving force was indeed to learn new technology, commitment & aim to succeed.

The program covered from basics of python to end to end data science with statistics & Machine learning, Deep learning, Power BI, Tableau & Open CV. Now excited to apply the knowledge in current Steam Engineering & Energy sector.

I would like to thank INISIDEAIML, my mentor & friends for guiding & supporting me at every stage ...see more

**Application number:** PG20119838

Dear Mr Saji,

We are pleased to inform you that your offer is **unconditional** and that you have obtained a place at the University on the following course:

Course:	MSC Data Science
Start date:	7 October 2021
Campus:	Colchester Campus
Duration of course:	1 Academic Year - Full Time
Fee status:	Overseas
Tuition fees (for the first year of study):	£18800

### Tuition Fees

If your course is longer than one year, the tuition fee quoted is for the first year of study. Tuition fees normally increase each academic year. More information is available on our [website](#).

Your place at Essex has been finalised on the basis that you will be self-funding your tuition fees. If this changes at any point, and you expect any part of your fees to be paid from another source, please contact us at the email address at the top of this letter.

### Academic Excellence Scholarship

Congratulations, you are eligible for the award of a University of Essex Academic Excellence Scholarship. The Scholarship is worth £5000 and is awarded on academic merit to students who are fully self-funded. The amount awarded will be discounted from your tuition fee payment at Registration. More information about all funding opportunities, including award terms and conditions, can be seen here: [www.essex.ac.uk/fees-and-funding/](http://www.essex.ac.uk/fees-and-funding/).

### The Student Contract

You will have already received an email containing The University of Essex Student Terms and Conditions and the other documents which make up the Student Contract between you and the University of Essex. These documents are also available on your [myEssex applicant portal](#).

The Student Terms and Conditions document sets out your rights and obligations to Essex as well as Essex's rights and obligations to you. These terms, and the other documents which have been sent to you by email (and are available on your portal), are important in relation to entering into a contract with the University. It is important that you read them again before registering with the University of Essex.

### Information about starting your course

The Basics: Information for new Essex Students will soon be available on your [myEssex applicant portal](#). It is filled with helpful information about your Essex induction, Welcome week and term dates. More information about your arrival and induction is also available on our dedicated [webpage](#). We let you know by email when The Basics becomes available on your myEssex applicant portal.

### COVID-19

We have plans in place to ensure that we manage any impact that COVID-19 (Coronavirus) might have on students who will be joining us this year. We understand how concerned you may be, and we want you to be reassured that we will update you with important information as anything changes. [Our COVID-19 page for applicants](#) provides the latest updates and information, and if you have any concerns or queries please do not hesitate to get in touch.

### Information for students who require a Student visa to study in the UK?

If you need a Student visa to study in the UK, and we haven't yet been in contact with you, we will contact you within four months of the start of your course with a link to an online questionnaire. You will need to complete this before we can issue your Confirmation of Acceptance for Studies (CAS). A CAS is issued after:

- we have received and reviewed your CAS questionnaire responses

- any other information and documents requested have been received
- any necessary deposit has been paid

Once your CAS has been issued, you will be able to access your CAS statement on your [myEssex?applicant portal](#).

If we find that you are unable to meet all Student visa requirements (including when there have been changes to those requirements made by the Home Office), we may not be able to issue you a CAS.

### Fee Status

Your fee status has been determined from the information provided in your application. We may review your fee status during the admissions process and we reserve the right to amend your fee status in accordance with UK Fees and Awards legislation in force at the relevant time. If you think that we have assessed your fee status incorrectly, you should contact Admissions using the contact details at the top of this letter. Please be aware that we are unable to change your fee status after 31 October of the first year of study or 4 weeks after the start of your course if your course does not start in October. Further information about fee status assessment can be found on our [fee status web page](#).

If you have been classified by the University as Home fees, this does not guarantee Student Loans Company funding for fees or living costs. The Student Loans Company will conduct their own eligibility assessment. Once registered at Essex, all students, regardless of funding source and fee status, are liable for their fees.

### Accommodation

If you haven't already done so, you can apply for University accommodation on your [myEssex?applicant portal](#).

Further details can be found on [our accommodation web pages](#).

### Contact Us

If you would like any further information please get in touch with Admissions:
