Har Ghar Tiranga
On occasion of Azadi Ka Amrut Mahotsav

Date: 13th to 15th August 2022

Venue: MMIT Campus

Time: 8:30 am to 3:30 pm

MMIT NSS Unit has participated in 'Har Ghar Tiranga' campaign under the aegis of Azadi Ka Amrut Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

SPPU & MMIT NSS Unit has also participated in Guinness World Record of "*Largest online photo album of people holding a national flag*" with mark of 1,52,559 photos in album. It was proud moment for MMIT NSS Unit to participate in this event. All students, teaching & non teaching staff have enthusiastically participated in this event.

About 'Chhatrapati Shivaji Maharaj':

Shivaji Raje Bhosale was formally crowned as a 'Chhatrapati' in 1674 at Raigad fort and henceforth came to be known as Chhatrapati Shivaji Maharaj. The brave warrior died in 1680 but is still known for his courage and intelligence. He laid the foundation of a Hindu empire which lasted for over two centuries. Also, Chhatrapati Shivaji Raje will always be known as a source of inspiration and pride for generations for his courage and military acumen.

History of Chhatrapati Shivaji Maharaj :

Shivaji Raje was born on 19th February, 1627, in Shivneri Fort, 60 kms north of Pune. He was named after the local Goddess Shivai, to whom his mother prayed for a son. His father Shahajiraje Bhosle was the chief of the Bijapur kingdom. He was however, not allowed to take charge of any fort. His mother had a great influence on him as he was introduced to Indian epics of Mahabharata, Ramayana and other holy books by her. Shivajiraje also gained a lot of knowledge from his father's unsuccessful attempts to gain power. He was inspired by his father's military tactics, peacetime diplomacy and also possessed knowledge of Sanskrit and Hindu scriptures.

					<p>black versus white and black versus black clashes and his disillusion and understanding of his invisibility- all climax naturally in scenes of violence and riot, followed by a retreat which is both literal and figurative.</p> <p>Parts of this experience may have been told before, but never with such freshness, intensity and power.</p>	
6-27-2021 20:05:49	Amey Singh Bayas	997058914 4	Student	Ashwin Sanghi	<p>Chanakya's chant is a one-of-a-kind book written by a renowned Indian author Ashwin Sanghi. This book is an outstanding blend of two timelines (of Chanakya's history and a thriller present-day story about an exceptionally brilliant middle school teacher PanditGangasagar Mishra, who coincidentally had the same motive) which run parallel to one another.</p> <p>That 'common motive' shared by both the pandits was to 'reunify the nation' by any means they could resort to. The timeline swaps mercilessly after every alternate chapter altering between present day and roughly about 300BC. The present day lead vizPanditGangasagar Mishra had the same goal as the legendary Chanakya: The Greater Good of the nation. Furthermore, just like Chanakya he found or we could say he developed a deserving candidate, Chandni Gupta and did not hesitate to apply any means to accomplish his ambition. However the major difference was that Chandragupta possessed every trait required for a king on the other hand Chandni was an ordinary girl with good looks and exceptional debating skills.</p> <p>There is additionally a reasonable amount of humor throughout the book and it has also highlighted a handful feminist issues, not deeply though. The author did not fail to spotlight the filthiest means resorted in politics that include blackmail, mammoth corruption, killing of the innocents and treachery which have been exercised all the way through the history right till the present day. The addition of a handful famous quotes by the likes of Benjamin Franklin, Mark Twain, Winston Churchill, Joseph Stalin and Thomas Jefferson makes this a must read.</p> <p>In spite of all this, the book can be sluggish at times and I feel that there are a number of historical blunders in it, especially regarding Chanakya's temperament. The author has also failed to elaborate about the famous chant of Chanakya, which is ironic given that the title of the book is Chanakya's Chant. Nevertheless if someone asks you to recommend them a good book you can sanguinely</p>	Excellent

6-30-2021 20:10:23	Neha Patil	705785888 1	Student	Ravaan - Enemy of Aryavarta	<p>As an Indian from childhood I had heard and read about 'Ramayana', but never thought of main characters as 'individuals'.</p> <p>The work of redefining the Ramayana's main three characters namely 'Ram', 'Sita' and 'Raavan' was done by the 'Ranchandra series'. 'Ranchandra series' consists of three books.</p> <ol style="list-style-type: none"> 1) Ram: Scion of Ishvaku 2) Sita: Warrior of Mithila 3) Raavan: Enemy of Aryavarta <p>All the three books were written by author 'Amish Tripathi'. On the occasion of celebration of national books day, I read 'Raavan, Enemy of Aryavarta'. This book describes the journey of Raavan from a little talented boy till becoming the king of Lanka. His journey is like a roller coaster where we move along with Raavan in every ups and downs of his life. The story emphasizes the fact that no person is born 'evil'. Environment and situations around force the person to think the same way. Of course there are choices. One who choose to tolerate and with stand every odds of life becomes 'Ram' and one who decides to fight all the odds to prove his capability becomes 'Raavan'. Book describes Raavan as an ambitious person. No matter 'what' he needs to 'do' he will, and achieve his 'aim'. Book also describes a different 'love' world of Raavan. There are various plots and mysteries hidden in the story which makes it worth reading.</p> <p>The most important aspect of the book which I personally liked is the philosophy of life described in the book. The fact that the mother nature is the greatest 'guru' and 'guide' is very well highlighted. Some common questions like what is right? what is wrong? what is Dharma? what is adharma? are explained in a lucid manner using examples. The words of the author are so powerful that they will make us think about our way of living life. One of powerful the lines that struck my mind is, "In perspective of mother nature opposite of right is not wrong, it's left".</p> <p>There are some people that think the book is ruining the mythological tale</p>	Excellent

					<p>Ramayana. But in my view, the author is trying to explain every incident in Ramayana in very pragmatic manner. Speciality of this book is, the story explained in the book is ancient but still we can relate the story to today's world. In short author have tried to used mythology to point out the problems of 'modern India'.</p> <p>I enjoyed reading 'Raavan enemy of Aryavarta', I would recommend reading this book to anyone who would like to uncover the 'Hero' inside a 'Villain'. Finally, I would like to thank MMIT for giving me an opportunity to write a book review.</p>	
6-10-2021 21:02:53	Vaibhavi Kanshapurkar	845901757 2	Student	Book- The Palace Of Illusions, Author- Chitra Banerjee Divakarani	<p>A book review -The Palace of Illusions, written by Chitra Banerjee Divakarani, this book has a completely different perspective of Mahabharat basically the events from Draupadi's eyes.</p> <p>Well, we have been grown up hearing stories from great epics from our mother ,grandmother and our teachers, it teaches us many things like how blind trust bestowed on your loved ones can lead to mass destructions and not having the attitude of accepting faults and failure can wage wars.</p> <p>So in this book this beautiful yet composed story is narrated from Panchuli's perspective also known as Draupadi, she was a headstrong but selfrespect driven and a very brave woman born from the fire of yagnya, she was as fierce as she was beautiful, she craved for love but also has to face insult and humiliation in her own house due to certain circumstances.No one comes to her rescue expect Krishna.</p> <p>Through her voice we learn about the struggle between two powerful families -The Pandavas and the Kauravas, the story is highly interesting but there are many perspectives on love,life and vengeance.</p> <p>I have always admired the mighty Pandavas, but this book made me realise that the Draupadi's character is equally complex her story equally rich.Resolute,il tempered yet gentle Draupadi sounds rare,raw and real and more importantly succeeds to unfold the story the best way it should have been. In one of the most crucial turns,she is forewarned by Vyaasa of 3 situations when her reaction would get her in trouble yet when these incidents occured, she could not recall it even though she knew beforehand.</p> <p>So to conclude, I would like to convey that on its own the narrative is Majestic, And a very ambitious story</p>	Excellent

					<p>mixing in parts of myth and epic with the day-to-day events revealing how great Warriors on the field and in the life can have feelings and take wrong decisions too, we get to know how satisfaction is very important in life and how not to rush and not a big decisions in anger or not promise when happy.</p> <p>I am so glad that I picked this book the language is quite straight forward and the authors way of storytelling makes this book magical. It is a must-read.</p> <p>What is also worth praising that Chitra Banerjee Divakaruni has presented the female perspective that is her own version of the great epic but without deviating from any of the main elements which was very important.</p> <p>I really loved it and highly recommended it. - 3.** To aware the students about social responsibilities
- 4.** To aware the students about the history of Great Worrier and King Chhatrapati Shivaji Maharaj.

About 'Chhatrapati Shivaji Maharaj':

Shivaji Raje Bhosale was formally crowned as a 'Chhatrapati' in 1674 at Raigad fort and henceforth came to be known as Chhatrapati Shivaji Maharaj. The brave warrior died in 1680 but is still known for his courage and intelligence. He laid the foundation of a Hindu empire which lasted for over two centuries. Also, Chhatrapati Shivaji Raje will always be known as a source of inspiration and pride for generations for his courage and military acumen.

History of Chhatrapati Shivaji Maharaj :

Shivaji Raje was born on 19th February, 1627, in Shivneri Fort, 60 kms north of Pune. He was named after the local Goddess Shivai, to whom his mother prayed for a son. His father Shahajiraje Bhosle was the chief of the Bijapur kingdom. He was however, not allowed to take charge of any fort. His mother had a great influence on him as he was introduced to Indian epics of Mahabharata, Ramayana and other holy books by her. Shivajiraje also gained a lot of knowledge from his father's unsuccessful attempts to gain power. He was inspired by his father's military tactics, peacetime diplomacy and also possessed knowledge of Sanskrit and Hindu scriptures.

The National Service Scheme Unit (NSS) of Marathwada Mitra Mandal Institute of Technology organized National Service Scheme (NSS) Day 2019 on occasion of Golden Jubilee of NSS. This event is carried out successfully in the college premises (Seminar Hall) on Wednesday 25th September 2019, from 3.30 pm to 4.00 pm under guidance of Principal Dr. R. V. Bhortake and all Departmental Heads.

Under NSS Day Program two competition were organized. Quiz completion on Mahatma Gandhi under "Celebrating 150 Years of Mahatma" and Poster Making with theme such as Swachhata , Plastic Ban, Best out of Waste and Traffic Rules and regulation etc. Event start with elaboration on NSS and its objectives followed by prize distribution through Departmental Heads.

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage.

In May 1969, a conference of student representatives (of universities and institutions of higher education) convened by the Ministry of Education and the University Grants Commission also unanimously agreed that a national-service scheme could be an instrument for national integration. The details were soon worked out and the Planning Commission sanctioned an outlay of ₹5 crores for the NSS during the Fourth Five-Year Plan, stipulating that the NSS be a pilot project in select institutions and universities. On 24 September 1969, the then Union Education Minister V.K.R.V. Rao launched the NSS at 37 universities in all states. The scheme has been extended to all states and universities in the country, and also +2 level institutes in many states.

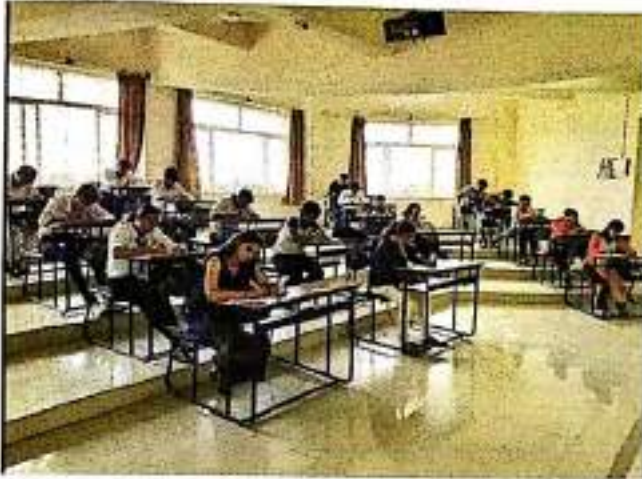

The programme aims to inculcate social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. it also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims.

Report on Street Play Dindi: Pune to Pandharpur

Date: 07 June 2018

Venue: Vishrantwadi, Pune

Time: 10 am to 4.00pm

Pandharpur Wari or Wari (Vari) is an annual pilgrimage (yatra) to Pandharpur - the seat of the Hindu god Vithoba in the Indian state of Maharashtra, in honour of the deity. Palakhis carrying the paduka (foot prints) of various saints - most notably Dnyaneshwar and Tukaram - from the Varkari (Warkari, "one who performs the Wari") sect (which venerates Vithoba), are taken from their respective shrines to Pandharpur. The tradition is more than 700 to 800 years old. Dnyaneshwar's palakhi leaves from Alandi, while Tukaram's begins at Dehu; both in Pune district of Maharashtra. This March on foot from various locations in Maharashtra to Vithoba temple, Pandharpur, attracts a total of over a million pilgrims. The journey takes 21 days. Numerous palakhis join the main Tukaram and Dnyaneshwar palakhis that starts from Dehu and Alandi respectively. The wari culminates at the Vithoba temple on Ashadhi Ekadashi. Devotees from Maharashtra and nearby areas set out for Pandharpur, wearing holy basil beads and singing the glories of Vithoba and songs like "Gyanba Tukaram", commemorating the saints. Upon reaching Pandharpur on Ashadi Ekadashi, these devotees take a holy dip in the sacred Chandrabhaga River/Bhima River before proceeding to visit the Vitthal temple.

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage.

In May 1969, a conference of student representatives (of universities and institutions of higher education) convened by the Ministry of Education and the University Grants Commission also unanimously agreed that a national-service scheme could be an instrument for national integration. The details were soon worked out and the Planning Commission sanctioned an outlay of ₹5 crores for the NSS during the Fourth Five-Year Plan, stipulating that the NSS be a pilot project in select institutions and universities. On 24 September 1969, the then Union Education Minister V.K.R.V. Rao launched the NSS at 37 universities in all states. The scheme has been extended to all states and universities in the country, and also +2 level institutes in many states.

The programme aims to inculcate social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims.
