Dheeraj Londhe · 2nd

Software QA Engineer at Go-Live Faster | US Corporate Banking | Digital Banking | Payments | Automation Testing | Jenkins CI/CD | API | Cucumber Framework

February 11, 2023, Dheeraj and Hrushikesh R. studied together

Hrushikesh is the best at management. He is well organized, diligent, and a fast learner. All these attributes were critical when trying to complete project on time, which involves reaching out to a lot of people. Being a fast learner helped him understand the market fit and quickly choose the right path to success.

It was a pleasure to work with Hrushikesh "
