Subject: regarding placement drive

Dear Vasant Sir,

We completed the drive of Sumax at our campus MMIT Pune for 2022 batch Mechanical students on 17/09/2022.

I would like to thank you and your team for the efforts you put into making this drive successful and I would also thank you for giving our students the opportunity to work with your organisation.

Thanks for coming and I hope to work with you in the present future.

Waiting for results from your end.
