Respected Sir,

We are the students of Marathwada Mitra Mandal's Institute of Technology (MMIT) College from Lohegaon Branch.

As a B.E. student we are obliged to create a final year project and our final year project is related to hospital so we know that Apple Hospital can be a potential sponsor for our project.

project title:- "Patient Data Management System using Blockchain". Our project is inspired by the block chain technology to create a de-centralized hospital management system. Our system includes block chain technology to create a decentralized system for the patients so that the patients can have a record of their own health records and also have the authority to access his health records without others permission.

Our project team members are:-

- i] Omkar Shisode
- ii] Vivek Hirekar
- iii] Mohammed Saad
- iv] Mohammad Faiz Mulla

Our Project is done under the guidance of our professors Prof. Vaibhav Rewaskar and the H.O.D of our computer department Prof. Subhash Rathod.

Thank you for reading about our expedition. Please contact us if you'd like to find out more and get involved with our project.

Best,

Mohammed Saad & Group
